December 2024

TNAI 2024: Achievements, Initiatives, and the Road Ahead

As 2024 draws to a close, it is an ideal time to reflect on the Trained Nurses' Association of India's (TNAI) remarkable achievements this year, reaffirming our commitment to advancing the nursing profession and fostering a healthier India.

One of the most transformative milestones was the successful implementation of digital voting for TNAI State Branch Elections from April 1, 2024. This technological advancement underscored our dedication to transparency, accessibility, and inclusivity for its members.

Another highlight is the ongoing success of the e-Learning Management System (LMS), which has empowered nurses since its launch in 2019. By providing dynamic educational resources, TNAI ensures its members remain at the forefront of healthcare innovation.

Introduced in 2016, the **SNAI-TNAI Membership New Plan**, continues to bring more student nurses under the SNAI umbrella, offering lifelong membership and numerous benefits. This initiative reflects our commitment to nurturing the next generation nursing professionals. **The old SNAI Subscription plan will cease on 31 March 2025.**

Celebrating nurses has always been at the heart of TNAI's mission. The International Nurses Day celebration on May 12, 2024, with the theme *"Our Nurses, Our Future: The Economic Power of Care,"* honoured nurses' contributions and reignited the enduring legacy of Florence Nightingale.

Principals Meetings Across States: TNAI, in collaboration with its respective state branches and the Registrars of the Nursing Councils, successfully organised principals meetings across various states to foster dialogue and address key issues in nursing education.

This year, TNAI collaborated with stakeholders to organise initiatives like the Chief Nursing Officers (CNO) Meeting and the TNAI-WHO Workshop on National Survey Outcome Dissemination. These events provided critical insights into healthcare challenges and solidified TNAI's role as a catalyst for change.

In addition, TNAI introduced four new initiatives in 2024:

- A Language Academy to enhance linguistic skills.
- The TNAI Fellowship Programme to foster leadership.
- Distribution of TNAI publications to SNAI units to enrich their libraries, along with a 40% discount for student nurses.
- An Accidental Death Insurance Scheme to provide financial security for member-nurses.

A particularly touching moment was the felicitation of retired TNAI staff, a reflection of our gratitude for their invaluable contributions spanning more than three decades and our efforts to keep them connected to the TNAI family.

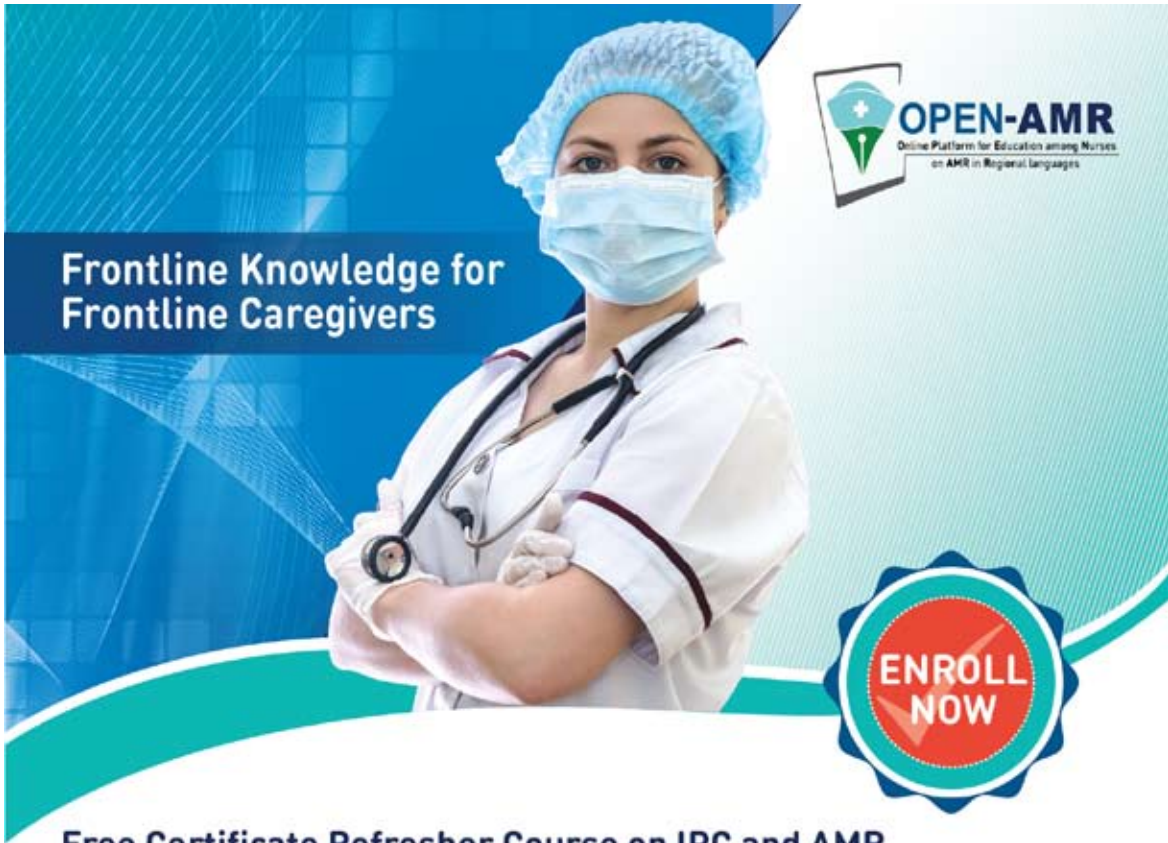

The scholarship application process was refined and upgraded through digital platforms.

Looking ahead, the 78th National Conference, themed *"Leadership in Nursing: Inspiring Vision, Driving Change,"* scheduled for December 6-7, 2024, promises to be a landmark event with over 2,000 participants. It will celebrate nursing leadership and innovation, marking the culmination of a year of progress.

As we step into 2025, TNAI remains steadfast in its mission to inspire, empower, and lead. The achievements of 2024 remind us of the power of collective effort and vision. Together, we will continue to elevate the nursing profession and contribute to a healthier India.

Wishing you all an advanced Happy and Blessed New Year 2025!

Evelyn P Kannan
Chief Editor & Secretary General, TNAI

Free Certificate Refresher Course on IPC and AMR

About us

Americares India Foundation (AIF), a leading health focused not-for-profit organization and Pfizer have partnered to develop a FREE, Online Platform for Education of Nurses on AMR in Regional languages (OPEN-AMR), that will offer certification programs on various aspects of Infection Prevention and Control and Antimicrobial Stewardship. In its first phase the platform will offer certificate programs in **English, Hindi, Gujarati, Bengali, Malayalam, Telugu, Tamil, Kannada and Marathi.**

Key Features

- Zero Course Fees
- Easy registration process
- Courses available in 9 languages: English, Hindi, Gujarati, Bengali, Malayalam, Kannada, Tamil, Telugu and Marathi
- Course curated by subject experts
- Easy to learn, audio-visual medium
- High flexibility of learning, learn at your pace
- Learn anytime from anywhere
- Simplified course content
- Excellent Knowledge enhancement opportunity
- Certificate for each completed course
- Certification from leading bodies

Key Topics

- Introduction to Infection Prevention & Control and Antimicrobial Stewardship
- Common Infection Prevention and Control Practices
- Basics of Antimicrobial Stewardship and Core Components
- Advanced Infection Prevention and Control Practices
- Healthcare - Associated Infections and their Control
- Antimicrobial Stewardship Principles and Action Planning

Nursing Principals Meet to Discuss SNAI Centenary Celebrations

A meeting of nursing school principals was convened by the Trained Nurses' Association of India (TNAI) on 12 September 2024 to discuss the upcoming centenary celebration of the Student Nurses' Association of India (SNAI) and other issues at KD Hospital Auditorium, SG Highway, Ahmedabad (Gujarat). Ways to promote the benefits of SNAI and TNAI memberships and strengthening the Association were also discussed.

At the outset Mr IA Kadiwala together with Mr Hitesh R Bhatt, Secretary and President respectively of TNAI's Gujarat State Branch welcomed the delegates, leading the felicitations for the dignitaries. Dr Parth Desai, COO of KD Hospital, shared his insights into the hospital's growth and underscored the critical role of nurses in delivering quality patient care.

The keynote address by Prof (Dr) Roy K. George, National President-TNAI, highlighted TNAI's initiatives for advancing nurses' education and development. Dr MM Prabhakar, President- Gujarat Nursing Council appreciated the dedication of nurses especially during the dreaded Covid-19 pandemic and emphasised the Council's active role in providing e-services. Dr Pragna Dabhi, Registrar-Gujarat Nursing Council highlighted the high standards of nursing education maintained in the state. She acknowledged the tangible contribution of TNAI in championing the professional growth of nurses and pledged full support in addressing challenges being faced by nurses in Gujarat.

A special feature of the programme was a panel discussion, 'Challenges Specific to Nursing Students in Gujarat', moderated by Prof (Dr) Roy K George. The panelists included Mr Jitendra Chauhan, Principal-Govt College of Nursing, Jamnagar; Dr Samuel Fernandis, Principal-Sandra Shroff College of Nursing, Vapi; and Dr Ravindra HN, Principal-Parul Institute of Nursing, Vadodara. There was sharing of insights from surveys conducted at their institutions, shedding light on the diverse challenges confronting nursing students.

Mrs Sanghamitra Sawant, Dy Secy-Gen TNAI briefed on the professional benefits available to nurses accruing from TNAI membership. Mrs S. Vatchala Dhinakaran, Asst Secy-Gen TNAI highlighted the resources and support provided to nursing students and institutions by TNAI Hqrs.

The event concluded with a summary of key points including some challenges could be proactively addressed by students, while others required joint intervention of TNAI State Branch and Hqrs. Prof (Dr) Roy K George assured attendees that the Association would prioritize these issues. The meeting concluded with a vote of thanks by Mrs Manisha R Vadhiya, SNAI Advisor, TNAI Gujarat State Branch. The programme ended with the National anthem.

NEWS FROM THE NURSING INSTITUTIONS

Dr S Thanikachalam Endowment Oration at SRIHER, Chennai: The 6th Dr S Thanikachalam Endowment Oration was delivered by Dr Judith Angelitta Noronha, Professor & Dean, Manipal College of Nursing, Manipal (Karnataka) on 20 August 2024 at Sri Ramachandra Dental College & Hospital auditorium, Sri Ramachandra Institute of Higher Education & Research (SRIHER), Porur, Chennai. The oration aimed to achieve the #SDG3: Good Health & Wellbeing. At the outset, Dr A Seethalakshmi, Prof & Head, Dept of Nursing Foundation welcomed the gathering. Dr SJ Nalini, Principal- SR Faculty of Nursing (SRFON) highlighted the significance of oration and the role of orator. Dr Mahesh Vakamudi, Pro Vice Chancellor felicitated and honoured the orator with an endowment plaque and presided the oration. The orator, Dr Judith Angelitta spoke on innovative teaching strategies and challenges in Nursing Education and Practice and the use of Heutagogy, a student-centred approach. She encouraged students to conduct transformational research to enhance the quality of nursing. About 243 participants from various nursing institutions across Chennai attended the programme, which concluded with vote of thanks by Prof Dr S Aruna, Prof & Head, Dept of Com Health Nsg, SRFON.

Sri Ramachandra Faculty of Nursing (SRFON), Sri Ramachandra Institute of Higher Education & Research (SRIHER), Porur, Chennai: The 32nd lamp lighting ceremony for the 161 First year BSc Nursing students was held on 30 Sept 2024 at the Seminar Hall of SRIHER. The chief guest of the occasion, Dr C Joe Arun, SJ, Chairman, State Minorities Commission, Govt of TN and Director- Loyola Inst of Business Admn, Chennai was introduced by Prof (Dr) SJ Nalini, Principal SRFON. The dignitaries on the dais lit the Kuthuvilakku. Prof (Dr) S Santhi, Vice Principal SRFON welcomed the gathering. Freshers rendered special song. Dr M Sumathy, Asst Prof SRFON highlighted the significance of lamp lighting. Senior nurse leaders transferred the luminosity to the students symbolising the passing of knowledge and tenets of nursing and recited the Nightingale Pledge. SRFON's annual report was presented by Dr C Ramesh, Associate Prof & Head, Dept of Med Surgical Nsg, SRFON. Dr Uma Sekar, Vice Chancellor SRIPHER felicitated the chief guest, delivered presidential address and acknowledged nursing profession as the basis of patient care; she encouraged the young students to pursue their education with dedication and compassion in serving the patients. Dr C Joe Arun SJ compared nursing to nurturing, he said, those who give selflessly shall be richly rewarded. The programme concluded with vote of thanks by Dr A Seethalakshmi, Prof & Head, Dept of Nursing Foundation.

Welcome to the Vibrant Repository of TNAI publications!

The Trained Nurses' Association of India (TNAI) takes pride in its rich legacy of promoting nursing education, research, and practice. Through our diverse range of publications, we aim to empower Student Nurses, Clinical Nurses, academicians, Researchers with valuable insights, knowledge, and resources.

Established in 1910, the TNAI Publications serve as a beacon of excellence in nursing and healthcare. We offer resources catering to various interests and specialities within the nursing profession. From scholarly journals to informative bulletin and comprehensive textbooks, our publications encompass the latest advancements, research findings, innovations and best practices in nursing.

TNAI's Offers are:

The Nursing Journal of India (Bi-Monthly): This flagship periodical stands as a beacon of excellence in the realm of nursing literature, proudly holding the distinction of being the world's third oldest journal, steadfastly publishing since 1910 without interruption. As a peer-reviewed publication, it is dedicated to the dissemination of pioneering research and evidence-based practices, continuously advancing the frontiers of nursing knowledge. Encompassing a diverse array of topics spanning clinical nursing, public health, nursing education, and administration, the journal serves as a vital platform for researchers, practitioners, and scholars to contribute to the enrichment of science, art and practice of nursing. Published on bi-monthly (every alternate month) basis, it remains a cornerstone of scholarly discourse and professional development within the global nursing community.

Subscription charges for the Nursing Journal of India (NJI)

For Institutions

- One year subscription: Rs. 2000/-
- Five years subscription: Rs. 9000/-

For Individuals

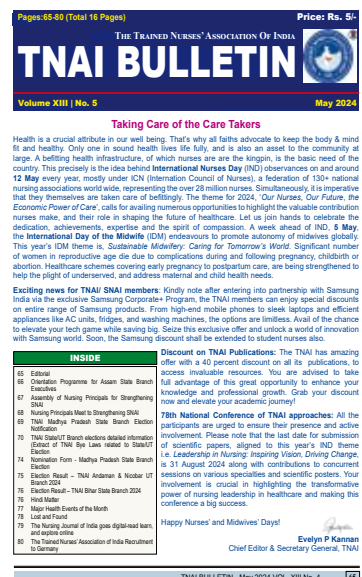

- One year subscription: Rs. 1,500/-
- Five years subscription: Rs. 6,500/-

The TNAI Bulletin (Monthly)

Since its inception in 2011, the TNAI Bulletin has been a steadfast companion to the nursing community, offering a monthly dose of insightful news, updates, and articles. This dynamic publication serves as a beacon of information, shining a light on recent developments in healthcare, nursing education, policy changes, and forthcoming events. By keeping its readership informed and engaged with the latest trends and happenings in the nursing profession, the TNAI Bulletin plays a pivotal role in fostering a sense of connectivity and awareness among its audience. Delivered promptly to members **through SMS (Online) on the 7th of every month**, it stands as a reliable and indispensable resource for nurses seeking to stay abreast of the ever-evolving landscape of their profession. **It is free of cost for the TNAI Members only.**

Nursing Foundation Volume I & II

It is the revised and completely updated version of the earlier 'The Fundamentals of Nursing: A Procedure Manual'. First published in 2005, this classical publication from the House of Nurses has been warmly welcomed by students of nursing and paramedics. Considering its consistently overwhelming demand, 14 additional reprint editions were brought out till 2021 and revised edition in 2023.

TNAI BULLETIN - May 2024 VOL. XIII No. 4

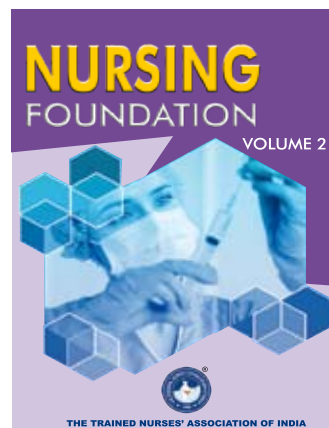

Recent years are witness to multi-faceted new developments in nursing education & practice, administration, health care services, and resetting of national and international health goals. The current book is based on recent changes in nursing education as approved by the Indian Nursing Council, the apex nurse education body of the country. It covers advanced evidence-based concepts in nursing practice and technology so that students stay updated.

'Nursing Foundation' is the cumulative outcome of a multi-disciplinary team of eminent professionals who rendered painstaking efforts to ensure that only the accurate and right information goes to the readers. The chapters have been written by members of a team, each having rich experience, in-depth expertise, and undisputed credentials in her/ his area of sub-specialty.

The authoritative book in two volumes, is a not-to-miss compendium to understand the ins & outs of what nursing stands for, means, and does – in theory and practice, and how it is administered. Students of not only the nurse community but also paramedical sciences and healthcare functionaries shall find it dependable and highly useful.

Volume 1: pages 352+ xviii, Rs. 695/- **(40% Concession for Student Nurses Net selling Rate after discount is Rs 417)**

Volume 2: pages 422+ xviii, Rs. 745/- **(40% Concession for Student Nurses Net selling Rate after discount is Rs 447)**

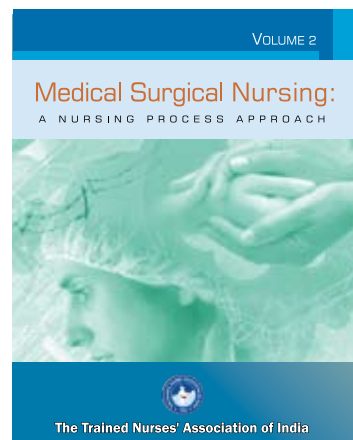

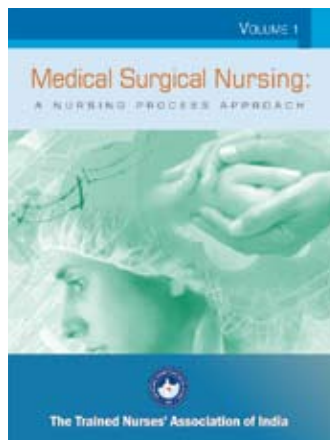

Medical Surgical Nursing: A Nursing Process Approach

The digital inputs are being increasingly incorporated in the realm of Nursing. This implies nursing students, practitioners, teachers, and associated paramedics have adequate knowledge and hands-on skills about the functionality of new medical devices and equipment that are widely applied in all healthcare settings for better outcomes.

Technologically advanced devices provide more accurate information about the pathological issues in treatment. Nursing procedures are also undergoing modifications. Only those adept in handling new devices shall be able to grow, rather than survive; others are liable to be rendered redundant. It is therefore imperative that those in charge are well abreast of the patient requirements in the new scenario.

The book has 16 Units, 6 Units in Volume 1 and 10 Units in Volume 2. Beginning with the basics of health, health assessment, health promotion, and illness Volume 1 takes up Nursing Care.

Volume 1, 912 pages; Volume 2, 1012 pages, Price (combined for both volumes): Rs. 2,950/- (40% Concession for Student Nurses, Net selling Rate after discount is Rs 1,770)

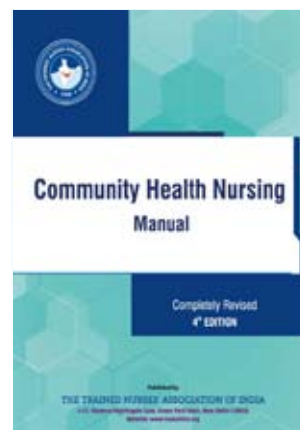

Community Health Nursing Manual

'Community Health Nursing Manual' is yet another flagship publication of TNAI consistently in demand due

to the valuable stuff it contains. The popularity of this valuable manual can be adjudged by its running into 4th revised (and 14th reprint) editions after its first release way back in 1959. Compared to past editions the present (4th, revised) edition is multi-coloured, and in larger size with additional content. With inputs from such experts on the subject like Prof Rajeshwari Siva-Vice Chairperson of CHN Project, former President of TNAI South Region and former Head, of CHN Department CMC Vellore (TN), and Dr Chellarani Vijayakumar- Consultant & Editor, the manual is enriched with coverage of latest developments and practices in community health nursing.

Beginning with the theory and practice of community health nursing, the manual divided into 27 chapters covers all major aspects of community health like health education, nutrition, family health, maintenance of health records, reproductive & child health, family welfare services, school health, communicable diseases, STDs, tuberculosis, leprosy, AIDS, occupational health nursing, public health - organization, administration and programs, alternative medicine systems. Interspersed with relevant tables and pictures, the presentation of each topic is lucid and easy to understand, particularly for students.

Pages: 632, Price Rs. 850/- (40% Concession for Student Nurses, Net selling Rate after discount is Rs 510)

Nursing Journal of India (NJI)

Author Guidelines

The Nursing Journal of India is a nursing journal with National and International circulation. It publishes original communications of nursing research that advance or illuminate Health science, that educate the journal readers. It is published bimonthly.

The NJI strongly discourages duplication/reduplication of data already published in other journals (even when certain cosmetic changes/additions are made). If and when duplication is detected after publishing in NJI, the journal will be forced to 'retract' such articles.

EDITORIAL PROCESS

- **Copy Right:** Authors need to certify in the covering letter that this manuscript has not been published elsewhere/submitted to any other journal simultaneously for consideration.
- Manuscripts are screened initially at the editorial office for suitability of publication. Those found provisionally suitable are sent to three peer reviewers. The journal follows the double blind peer review process.
- After peer review process, selected manuscripts for publication are edited before publication.
- The processes of submission of manuscript, peer review, communication of final decision and sending proofs are managed through online platform.

SUBMISSION OF MANUSCRIPT

All manuscripts submitted for publication to the NJI should include the following:

- (1) Cover page file
- (2) Article file including tables and Figures.
- (3) A scanned copy of ethical clearance certificate
- (4) Undertaking by authors & copyright transfer agreement.

Details are given below.

1. COVER PAGE FILE:

Covering letter should include (i) name(s) of author(s); (ii) TNAI number; (iii) Educational qualification (iv) Designation of authors; (v) complete postal address, mobile number and e-mail id of all authors; (vi) name of corresponding author with all above mentioned details. (vii) Title of the article/Problem Statement.

It should be addressed to the Chief Editor, NJI at The Trained Nurses' Association of India L-17 Florence Nightingale Lane, Green Park New Delhi-110016.

2. Article File:

Manuscripts must be submitted online through the website: <https://www.tnajournal-nji.com>. First time users will have to register at this site. Registration is free but mandatory. Registered authors can keep track of their articles after logging into the site using their user name and password. Manuscripts should be presented in concise form within the word limits of 2000-2500 maximum.

Pages should be numbered consecutively and the contents arranged in the following order:

Sequence of Research Article (Maximum 2000-2500 words)

I. Title:

The title of manuscript shall not exceed 15 words, shall be given on top of the title page. Information regarding authors shall be given in a separate page which shall include the following; Name, Academic degree, Designation/position, name of Institution. Address for correspondence including telephone number & email. In case of group of authors the names shall be listed in the order of authorship.

Cover letter should include statements regarding authorship.

II. Abstract and Key Words:

Abstract The abstract must be in one-paragraph with self-contained summary of the most important elements of the paper. The abstract shall not exceed 250 words. All numbers in the abstract (except those beginning a sentence) should be typed as digits rather than words.

Key words: provide 4 to 6 key words which can be used for indexing purposes.

Text-IMRAD format

III. Introduction

It shall be 3-4 paragraphs which consists of brief background of the problem studied, critique of relevant research articles that are referenced as per Vancouver/ APA style. Clearly state the purpose / objectives and hypotheses tested.

IV. Materials and Methods

It should highlight the setting where the study was done, sample size and method of selection. A brief description of the demographic variables of the sample could be provided in 2-3 sentences. It should also have a description of the design, tools/ instruments used for collecting data; ethical approval and ways by which privacy and confidentiality of subjects were maintained; how data were collected; pilot study (if done) with any modifications made thereof and any methodological limitations.

V. Results

It must be presented in a logical sequence. Only such data as are essential for understanding the discussion and main conclusions emerging from the study should be included. Data presented in tables and figures should not be repeated in the text. Only important observations need to be emphasized or summarised. The same data should not be presented both in tabular and graphic forms. Interpretation of the data should be taken up only under the Discussion and not under Results.

VI. Discussion

The discussion should deal with the interpretation of results without repeating information already presented under Results. It should relate new findings to the known ones and include logical deductions.

The **conclusions** can be linked with the goals of the study but unqualified statements and conclusions not completely supported by the data should be avoided. Recommendations may be included as part of the Discussion, only when considered absolutely necessary and relevant.

VII. References

The total number of References should normally be restricted to a maximum of 20.

VIII. Illustrations

Illustrations must be electronically prepared and we prefer them in soft copy either by mail / disc. Tables and figures must be numbered.

IX. Acknowledgment of Receipt

The decision of acceptance/ rejection/ recommendation for resubmission will be intimated to the corresponding author.

3. ETHICAL CLEARANCE CERTIFICATE

All research articles submitted shall be accompanied by a copy of certificate issued by the institutional ethical committee

4. UNDERTAKING BY AUTHOR(S) [Downloadable form](#)

It is necessary that all the authors give an undertaking (in the format specified by the journal) indicating their consent to be co-authors in the sequence indicated on the cover page. All authors must sign the undertaking letter.

Note:

1. The NJI does not charge any Fee for submission and processing of the Manuscript.
2. Life membership of TNAI is mandatory for primary Author and all Nurse researchers in the team of authors.
3. No addition/deletion/ or any change in the sequence of the authorship will be permissible at a later stage, without valid reasons and permission of the Editor -in-Chief.
4. If the authorship is contested at any stage, the article will be either returned or will not be processed for publication till the issue is solved. ■

सार्वभौमिक स्वास्थ्य कवरेज (यूएचसी) क्यों आवश्यक है

व्यक्ति के समुचित विकास में कुछ कमियां इसलिए रह जाती हैं चूंकि उन्हें ऐन वक्त पर उचित स्वास्थ्य सुविधा प्रदान नहीं की गई और बचपन में उन्हें समय समय पर टीके नहीं लगाए गए।

दुनिया भर में कभी वित्तीय कारणों, उपचार या चिकित्सकों के अभाव या जागरूकता के अभाव आदि कारणों से लाखों लोग समय पर जरूरी स्वास्थ्य सेवाओं का लाभ नहीं उठा पाते हैं। भले ही उचित सुविधा उपलब्ध हो। कभी यह भी पाया गया कि सुविधा तो होती है किंतु जरूरतमंदों की पहुंच से पर होती है।

अंतर्राष्ट्रीय सार्वभौमिक स्वास्थ्य कवरेज दिवस का उद्देश्य है कि सभी हितार्थियों के बीच स्वास्थ्य प्रणालियों और सार्वभौमिक स्वास्थ्य कवरेज की आवश्यकता के बारे में जागरूकता बढ़े तथा वित्तीय बाधा के कारण वे जरूरी सेवाओं के उपयोग से वंचित न रहें।

जन कार्यक्रमों के माध्यम से विशिष्ट आयुवर्ग के संरक्षकों को टीकारण सहित अन्य लाभों से वंचित रहने की दूरगामी से हानियों की जानकारी प्रदान की जाती है। इसके अतिरिक्त टीकारण सहित विभिन्न उद्देश्यों की उपलब्धियों और चालू कार्यक्रमों की समीक्षा भी की जाती है।

यूएचसी की शुरुआत 12 दिसंबर 2012 को, संयुक्त राष्ट्र महासभा द्वारा पारित प्रस्ताव के उपरांत हुई। इस दिशा में अभी तक जो हासिल हुआ है, उसे प्रोत्साहित करने की दृष्टि से नीति निर्माताओं, नेताओं आग्रह किया जाता है कि सार्वजनिक हित में स्वास्थ्य सेवाओं की ओर ध्यान दें। औद्योगिक घरानों तथा निधियां उपलब्ध करने में समर्थ संगठनों से पैरवी की जाती है कि वे खुले हाथों इस कार्य में योगदान दें। इस दिवस की एक अन्य गतिविधि सफलता कहानियों का व्यापक प्रचार-प्रसारण भी है।

LOST & FOUND

It is to bring to notice of all concerned that I, Sanjana Pasayat (maiden name) D/o late Mr Purandhar Pasayat, have lost my final year marks sheets of two subjects (Community Health II, Oral Practical) of GNM Diploma 2003 pass out, with Roll No. 961867 on 4 October 2024, issued by MID India Board of Education of the Nurses' League of the CMAI, at my Beldarpara residence during cleaning works. The same is irretrievable despite much efforts. The complaint to this effect has also been lodged on 07/10/2024 at serial no. 469 in PS Champa.

Mrs Sanjana Sumit Nag
