THE TRAINED NURSES' ASSOCIATION OF INDIA

TNAI BULLETIN

Volume XV | No. 5

MAY 2026

Celebrating Excellence, Empowering the Future

May is a month of special significance for the global nursing and midwifery community, as we celebrate two landmark annual events that acknowledge the extraordinary contribution of nurses and midwives worldwide.

On **5 May**, we observe the **International Day of the Midwife 2026** under the theme, *One Million More Midwives*. This powerful call to action underscores the urgent need to invest in and strengthen the midwifery workforce, ensuring that every woman, newborn, and family has access to safe, respectful, and quality care. Just a week after on **12 May**, nurses and allied healthcare functionaries observe **International Nurses Day**, the theme for 2026 being, *Our Nurses. Our Future. Empowered Nurses Save Lives*. This theme reaffirms the importance of empowering nurses through quality education, strong leadership, and supportive workplaces, enabling them to continue transforming healthcare and saving lives.

TNAI's initiative, 'Internship to Impact: Nursing Interns Exit Readiness Programme (NIERP)' is being conducted at TNAI's Advanced Simulation Centre in its Greater Noida facility. This programme is specifically designed to equip nursing interns with essential clinical competencies, professional confidence, and practice readiness as they transition from education to service. I encourage nursing institutions and students to take full advantage of this valuable opportunity (details inside pages).

TNAI's Advanced Nursing Simulation Centre was inaugurated by the National Executive Committee members on 12 April 2026 at the TNAI Punjab State Branch Office, marking a significant milestone in strengthening nursing education, clinical skill development, and simulation-based learning for nursing professionals and students in the region.

Registration is now open for the **7th Commonwealth Nurses and Midwives Conference 2026**, which shall be jointly hosted by TNAI and CNMF, on 24-25 September 2026 at the Manekshaw Centre, New Delhi, with the theme, '**Shaping the Future: Nurses and Midwives Navigating New Frontiers**'. I encourage all members to register early, as seats are limited and will be allotted on a first-come, first-served basis (details on p 74).

The **79th TNAI National Conference** will be held on 15-16 December 2026 at Ramoji Film City, Hyderabad, under the theme, **Redefining Clinical Practice: Empowering Nurses Through Innovative Technology**. Members are warmly invited to submit research papers, scientific posters, and proposals for concurrent sessions (details available in inside pages).

I am also delighted to share that TNAI has signed a Memorandum of Understanding with Jaypee Brothers Medical Publishers on 23 April 2026 for distribution & sales of TNAI publications; this marks a significant milestone in disseminations of our academic repository the professional way. We believe that association with a well-known medical publisher-distributor shall help outreach of TNAI publications.

Together, let us continue to lead, innovate, and shape the future of nursing and midwifery with excellence, compassion, and steadfast commitment.

Wishing you all a Happy International Day of the Midwife and International Nurses Day!

Evelyn P Kannan

Chief Editor & Secretary General TNAI

International Conference

Commonwealth Nurses and Midwives Federation Conference

Coming to India in 2026!

Mrs Evelyn P Kannan
Secretary-General TNAI
TNAI Tripura State Branch Election 2026

Advanced Nursing Simulation Centre Inaugurated in Punjab

The Trained Nurses' Association of India marked a significant milestone with the inauguration of the Advanced Nursing Simulation Centre at the Punjab State Branch Office on 12 April 2026. The event, which commenced at 10:30 AM, was attended by distinguished nursing leaders, Executive Committee members, and representatives from the healthcare industry.

Dr Manpreet Kaur, Treasurer of the TNAI's Punjab State Branch, efficiently served as the Master of Ceremonies for the entire programme. Her graceful coordination and professional conduct helped the smooth flow of all proceedings. The entire Executive Committee (EC) of the Punjab State Branch actively participated in the conduct of programme, reflecting their collective commitment, teamwork, and dedication. The programme began with the arrival of the guests, followed by a solemn prayer song and the traditional lamp-lighting ceremony, symbolising knowledge, wisdom, and the commitment to nursing profession. Mrs Jyoti Walia, National Vice President (North Region), warmly welcomed the gathering and set the tone for the activities.

A special session was dedicated to the introduction and felicitation of the EC members of the Punjab State Branch. Dr Harmeet Kaur, President of the Punjab State Branch, presented an insightful overview of the branch's activities, achievements, and its continued

contribution to the growth of the nursing profession in the state. Mrs Evelyn P Kannan, Secretary General TNAI, introduced the Skills Lab initiative and highlighted its anticipated impact on nursing education and practice. She emphasised that the Advanced Nursing Simulation Centre would serve as a transformative platform, equipping nursing students and other learners with hands-on clinical skills, critical thinking abilities, and confidence to deliver high-quality patient care. Dr (Mrs) Annie Kumar, National President TNAI, addressed the gathering and lauded the Punjab State Branch for its visionary leadership and dedication to professional development. She underscored the importance of simulation-based learning in preparing competent and compassionate nursing professionals for the evolving healthcare landscape.

Inauguration of Skill Lab

National Executives visiting the Simulation center.

The formal inauguration of the Advanced Nursing Simulation Centre was carried out by the National President, along with the National EC and Punjab State Branch EC members, amidst great enthusiasm and applause. The occasion marked a new chapter in nursing education and skill development in Punjab.

Mr Jwalant, CEO of Delta Healthcare, provided an informative introduction to the state-of-the-art simulation equipment and demonstrated the various learning opportunities that the centre would offer. The collaboration between TNAI Punjab State Branch and Delta Healthcare was widely appreciated for bringing this visionary project to fruition.

The programme concluded with a hearty vote of thanks by Dr Prabhjot Saini, Secretary, Punjab State Branch. She expressed sincere gratitude to the National Leadership, EC members, Delta Healthcare, and the participants for their support. The event, providing an opportunity for fellowship and professional interaction, ended with a high tea.

Secretary General, TNAI

HEALTH DAYS OF THE MONTH

International Nurses Day: 12 May

The theme for **International Nurses Day** (IND) 2026, celebrated globally on **12 May**, as announced by the International Council of Nurses (ICN) is: *Our Nurses. Our Future. Empowered Nurses Save Lives*. This focus underlines that to be enabled to save lives, nurses must be empowered, and therefore, must have a safe, fair work environment. The message is very relevant at a time when the nursing community faces unprecedented challenges from workforce shortages, rising health care demands & expectations, and increasing effects of conflict and climate change. Nurses continue to deliver care, protect communities, and hold health systems, often under immense strain although their work often remains under recognised and unsupported. On the urgency of this year's message, José Luis Cobos Serrano, ICN President remarked, " *in this moment of intense global pressure, every day, all around the world, nurses are doing extraordinary work to both save and improve the lives of individuals and entire communities. It also makes clear that nurses need to be fully empowered to make the greatest impact on people's health.*"

The date of 12 May was chosen by ICN to mark the birth anniversary of Florence Nightingale, and pay tributes to the nurse legend, who laid the foundation of Modern Nursing. Under the umbrella of ICN, world over, nurse and healthcare organisations organise meetings, conferences and various programmes urging the nurses to rededicate to improving the health of the people in their jurisdiction. Awareness programmes are conducted; competitions, rallies, quiz, games and other activities are held, and outstanding nurses are honoured. Nursing schools and colleges in particular conduct lectures, seminars and conferences addressed by the nurse luminaries.

[The International Council of Nurses is a federation of more than 140 national nurses' associations. Founded in 1899, with headquarter in Geneva (Switzerland), it was the first international organisation for health care professionals].

ICN will publish an evidence-based IND report focused on harnessing the power of nurses to improve health outcomes and deliver the trusted, person-centred primary care that can transform health systems and address our world's biggest health challenges. The report will outline the key actions needed to recruit and retain a strong nursing workforce by investing in safe working conditions, fair compensation, and meaningful opportunities for leadership, education, and influence. In India, nurses having made outstanding contributions are honoured with National Florence Nightingale Awards in various specialities of Nursing by the President.

World Schizophrenia Day: 24 May

Schizophrenia is a chronic, severe disorder of the brain that impairs the thinking, feeling, and behaviour patterns especially individuals in their late teens to thirties. The incidence is higher in males. Commemorated every year on **24 May**, the **World Schizophrenia Day** is dedicated to raising awareness about the mental illness that affects over 20 million people worldwide.

In India, around 3.5 million people are affected with schizophrenia translating to a prevalence of about 0.3 percent. It is a major cause of mental disability, accounting for 10 percent of disability-adjusted life years (DALYs) related to mental health. Due to inadequate awareness about Schizophrenia, it remains highly stigmatised. The symptoms include disorganised speech often exasperating to delusions, hallucinations, and limited emotion, often causing significant social or occupational dysfunction. While no sure shot cure for treatment (medication, therapy) exists, management of the symptoms is the only option.

World Schizophrenia Awareness Day was established to fight against stigma and to make it easier for people to seek various resource for seeking help. The activities of this day focus on raising awareness, dispelling stigma, educating the public, and fostering empathy for those living with this serious mental health condition. The efforts of the campaigns are directed to breaking down barriers, reducing misconceptions, and encouraging early intervention, which help achieving better outcomes.

A Landmark Collaboration: TNAI and Jaypee Join Hands for Nursing Excellence

The Trained Nurses' Association of India (TNAI) pleased to announce that as per the 119th National Executive Committee decision, the TNAI signed a Memorandum of Understanding (MoU) with Jaypee Brothers Medical Publishers Private Ltd by Dr. Annie Kumar, National President, Mrs. Evelyn P Kannan Secretary General, TNAI & Mr. Jitender Pal Vij, Chairman, Jaypee Brothers pvt Ltd on 23rd April, 2026.

This strategic collaboration marks an important milestone in strengthening Nursing education, knowledge dissemination, and professional development across the country. Through this partnership, both organizations will work together towards the publication of high-quality nursing resources that support academic excellence and clinical practice.

TNAI remains committed to empowering nurses and advancing the standards of nursing education in India through meaningful collaborations and innovative initiatives.

OBITUARY

Prof (Mrs) Chakravartula Roja Rani

With profound sorrow, the Trained Nurses' Association of India mourns the untimely demise (due to road Accident) of Prof (Mrs) Chakravartula Roja Rani, Vice President, TNAI Telangana State Branch, on 13 April 2026.

Prof. Roja Rani was an exemplary nurse leader, educator, and administrator who dedicated more than three decades of her life to the nursing profession. In her illustrious career spanning 31 years, she served in several prestigious positions, including Staff Nurse at Health Centre and Area Hospital, King Koti, Hyderabad; Lecturer at Government College of Nursing, Hyderabad; Assistant Professor at Government College of Nursing, Rajanna Sircilla; Institute of Mental Health, Hyderabad; In-charge Principal at Government College of Nursing, Sircilla; and Professor at Government College of Nursing, Secunderabad. She also rendered invaluable service as Registrar of the Andhra Pradesh State Nursing Council. Her dedication, leadership, and commitment to advancing nursing education and professional standards earned her the respect and admiration of colleagues, students, and the entire nursing fraternity.

Prof Roja Rani's passing is an irreparable loss to TNAI, the nursing profession, and the countless lives she touched through her service, mentorship, and leadership. Her legacy will continue to inspire generations of nurses to uphold the highest ideals of the profession.

We extend our heartfelt condolences to her bereaved family, friends, colleagues, and the members of TNAI Telangana State Branch. May the Almighty grant them strength and comfort during this difficult time. May her noble soul rest in eternal peace.

10 June 1972 -
13 April 2026

केला पोषण का भरोसेमंद स्रोत है, इसका भरपूर लाभ उठाएं

कहावत है, जो चीज हमें सरलता से, या सस्ते में मिल जाती हैं उसकी सही कद्र नहीं की जाती, भले ही वह बहुत उपयोगी, और गुणकारी हो। केले की भी यही कहानी है। इसकी तुलना में आम गर्मियों में आया और बरसात खत्म होते-होते गायब हो जाता है। दूसरी ओर, बारह महीने, मुनासिब दाम में उपलब्ध रहने के कारण कुछ लोग इसे देख कर नाक सिकोड़ लेते हैं। हालांकि विश्व के 130 देशों में पाए जाने वाले लोकप्रिय फल केले को बच्चों से बूढ़े तक सभी खुशी खुशी ग्रहण करते रहे हैं।

पोषण का बहुमूल्य भंडार

पोटेशियम, प्राकृतिक शर्करा, विटामिन बी-6, मैग्नेशियम आदि से भरपूर केले का सेवन आपको तुरंत ऊर्जा प्रदान करता है। हां, तनिक गौर कर लें कि इसका सेवन कब और कैसे करना बेहतर रहेगा। व्यायाम या कठोर श्रम से पहले केले के सेवन को आदर्श फल बताया गया है। श्रमकर गतिविधि से एकाध घंटा पहले इसे खाने से स्टैमिना और कार्य में सुधार देखा गया है। फास्ट फूड की तुलना में इसमें फाइबर प्रचुर मात्रा में है, इसका नियमित सेवन अत्यंत लाभकारी है। एक औंसत केले से करीब 110 कैलोरी, एक ग्राम प्रोटीन, 27 ग्राम कार्बोहाइड्रेट, 15 ग्राम प्राकृतिक चीनी, तीन ग्राम फाइबर और 450 मि.ग्रा. पोटेशियम मिलता है। इसमें विटामिन सी भी है।

केले में मौजूद सोडियम और मैग्नेशियम के कारण यह शरीर में इलेक्ट्रोलाइट संतुलन बनाए रखता है। यह मांस-पेशियों में ऐंठन या जकड़न को दूर करने में सहायक है। इसका बी-6 विटामिन रक्त के लाल कोशिकाओं के निर्माण को गति देता है। केले में विद्यमान कार्बोहाइड्रेट सरलता से शरीर में अवशोषित हो जाता है। कमजोर पाचन तंत्र वालों को, विशेषकर रात में केले से पेट भारी रहने की शिकायत हो सकती है हालांकि इसमें मौजूद ट्रिप्टोफैन नसों को शिथिल करते हुए नींद लाने में सहायक है। पका केला पौष्टिक, मांस और वीर्य संवर्धक, भूख-प्यास शमन करने वाला होता है। डाक्टर दिल की बीमारियों, पाचन को सहज बनाने और तनाव से राहत के लिए केला के प्रतिदिन सेवन की संस्तुति करते हैं। अति किसी भी खाद्य पदार्थ की ठीक नहीं। अतः इसका सेवन नियंत्रित मात्रा में करें।

केले का उत्पादन

साढ़े तीन करोड़ मी.टन से अधिक उत्पादन के साथ भारत विश्व में केले का सबसे बड़ा उत्पादक है (दूसरा स्थान चीन का है)। वैश्विक उत्पादन में इसकी हिस्सेदारी 19 प्रतिशत है। केले की खेती देश के 9 लाख हेक्टेयर भूमि में होती है। इसके मुख्य उत्पादक राज्य महाराष्ट्र, तमिलनाडु, आंध्रप्रदेश, कर्नाटक और गुजरात हैं, सर्वाधिक पैदावार महाराष्ट्र की (करीब 60 मी.टन प्रति हेक्टेयर) है। जलगांव का केला उच्च पैदावार के लिए प्रसिद्ध है। ट्रापिकल अंचलों का 15 से 35 डिग्री तापमान केले की खेती के लिए अनुकूल रहता है। केले को वृक्ष की नहीं बल्कि जड़ी-बूटियों की श्रेणी में रखा जाता है। इसकी ऊंचाई 10-12 फुट होती है और इसकी 300 से अधिक प्रजातियां हैं।

बहुविध उपयोग

पके केले को सीधे खाने के अलावा इसे कच्चे रूप में सब्जी बतौर तथा चिप्स या नमकीन के तौर पर इसे व्यापक स्तर पर शौक से खाया जाता है। गर्मियों में बनाना शेक का सेवन बड़े चाव से किया जाता है। मांगलिक कार्यों में केले के तने और पत्तों का प्रयोग शुभ माना जाता है। हिंदू विवाह पद्धति में केले के स्तंभ बना कर इन्हें बेदी के चारों ओर इन्हें प्रतिष्ठित करते हैं। भोजन के सेवन में थाली के ऊपर या केवल पत्तल को ही, खासकर दक्षिण भारत में, शुद्धता, और पर्यावरण-अनुकूल होने के कारण प्रायः व्यवहार में लाते हैं।

— प्रकाशन एकक, टीएनएआई मुख्यालय नई दिल्ली

Countdown to the SNAI Centenary (1929–2029)

“100 Years of Nurturing Future Nurse Leaders”

As the Student Nurses Association of India (SNAI) approaches its historic **Centenary in 2029**, we stand at a remarkable moment—honouring a rich legacy while shaping an even stronger future for nursing students across the nation.

Founded in 1929 at the TNAI Annual Conference in Madras under the visionary leadership of Miss L. Rina Jeans, SNAI began with a single unit at the Government General Hospital, Madras. Today, it has grown into a dynamic national movement with **1,689 units and over 3,36,000 student members**, making it one of the most vibrant student professional bodies in India.

For nearly a century, SNAI has been a **pillar of professional growth**, fostering leadership, ethical values, unity, and excellence among nursing students. From the first Annual Conference in Delhi in 1932 to the landmark Biennial Conference in Nagpur in 1961, SNAI has consistently provided platforms for **learning, collaboration, and leadership development**.

At its heart, SNAI empowers student nurses to:

- ◆ Uphold the dignity and values of the profession
- ◆ Build leadership and communication skills
- ◆ Engage in academic, scientific, and cultural excellence
- ◆ Prepare for the evolving demands of healthcare

A Call to Every Nursing Institution

As we begin the **Countdown to 2029**, this is not just a celebration—it is a **national movement for inclusion and participation**.

Our goal is clear:

Every Nursing Institution in India should become a part of SNAI before the Centenary year.

We warmly invite **all institutions that are not yet members of SNAI** to join this historic journey. Becoming a part of SNAI offers:

- A platform for **student leadership and professional development**
- Opportunities for **national-level participation and recognition**
- Exposure to **conferences, competitions, and academic enrichment**
- A sense of **belonging to a national professional community**

Let us ensure that **no nursing student is left behind** in this centenary movement.

Road to 2029: Celebrating Legacy, Inspiring the Future

The Centenary celebrations promise to be truly momentous, with plans including:

- Grand **Centenary Celebration in New Delhi**
- Concluding celebration in **Chennai**, honouring SNAI’s origins
- Release of a **Commemorative Stamp**
- Development of a **Documentary on SNAI’s Journey**
- **Regional Conferences** across East, West, and North-East India

Be a Part of History

As the countdown begins, every student, Principal, Educator, and institution has a role to play. This is the time to **strengthen our collective voice**, celebrate achievements, and prepare future nurse leaders who will lead with **knowledge, compassion, and excellence**.

Let us unite to make the SNAI Centenary a truly inclusive and historic milestone.

For any query, please contact Mrs. S. Vatchala Dhinakaran, Assistant Secretary General, TNAI.

Join SNAI. Strengthen the profession. Shape the future.

79th TNAI National Conference 2026

Theme : “Redefining Clinical Practice: Empowering Nurses Through Innovative Technology.”

Date: 14& 15th December, 2026

Venue : Ramoji Film City, Hyderabad, Telangana

The Trained Nurses’ Association of India (TNAI) continues its unwavering commitment to advancing the nursing profession by fostering **academic excellence, clinical innovation, and holistic development** among its members.

As part of the upcoming **79th TNAI National Conference**, TNAI proudly introduces a vibrant blend of **scientific platforms and talent-based competitions**, creating a unique opportunity for nurses to shine both professionally and personally.

Call for Scientific Submissions

TNAI invites submissions from its members for the following categories:

- i **Scientific Paper Presentations:** Submissions must be strictly aligned with the conference theme.
- ii **Concurrent Sessions:** Open to all nursing specialties; studies should have been conducted within the last four years.
- iii **Scientific Poster Presentations:** Open to all nursing specialties; studies should have been conducted within the last four years.
- iv **Case Study Poster Presentations:** Focused on clinically relevant case studies highlighting patient care, interventions, and outcomes.

Participants are encouraged to submit **original, unpublished work** that reflects innovation, evidence-based practice, and recent advancements in nursing. Submissions must follow structured scientific guidelines, including abstract, methodology, results, discussion, and nursing implications.

The **Best Paper** will be considered for publication in the prestigious **Nursing Journal of India (NJI)**.

Promoting Clinical Excellence & Knowledge Sharing

The introduction of **Case Study Poster Presentations** marks a significant step in encouraging nurses to showcase **real-life clinical experiences**, critical thinking, and patient-centered care practices. These platforms aim to strengthen **clinical reasoning, documentation skills, and evidence-based practice**.

Beyond Academics: Celebrating Talent & Personality

Recognizing that nurses are multi-talented individuals, TNAI has introduced two exciting competitions exclusively for its members:

Group Dance Competition

- Maximum 8 members per team
- One entry per state
- Duration: 3 minutes
- Style: Cinematic

This platform celebrates **team spirit, creativity, and cultural expression**.

Personality Contest

A three-round competition designed to highlight **confidence, communication, and leadership presence**:

- Traditional Attire Round
- Contemporary/Western Attire Round
- Question & Answer Round

Separate competitions will be conducted for male and female participants, culminating in titles such as **Mr. TNAI and Ms. TNAI**, along with runner-up positions.

Encouraging Holistic Development

Through these diverse initiatives, TNAI emphasizes that nursing is not only about clinical competence but also about **confidence, creativity, leadership, and individuality**. These platforms foster **camaraderie, national integration, and professional pride** among nurses across the country.

Important Information

- **Last Date for Submission:** 30th September 2026
- **Submission Email:** tnaiconference2026@gmail.com
- Only accepted entries will be invited for presentation
- All presenters must be **TNAI members** and **Registered conference participants**

A Collective Step Forward

The 79th TNAI National Conference promises to be a **dynamic confluence of knowledge, innovation, and talent**. It is an opportunity for nurses to **learn, lead, express, and excel**.

TNAI warmly invites all members to participate actively and contribute to building a **future-ready nursing workforce for India**.

Instructions to the voters in the TNAI State/ UT Branch Elections

1. TNAI Photo Identity Life Membership card is mandatory to cast the vote in State/UT Branch Elections.
2. Members do not have the TNAI Photo Identity Life Membership card shall apply for the Photo Identity card 30 days prior to the scheduled date of Election

TNAI Invites You to Be Future-Ready

Transforming Nursing Education through Simulation, Skill & Excellence

TNAI's Central Institute of Nursing & Research Centre, Greater Noida

With a visionary commitment to strengthening nursing education in India, the **Trained Nurses' Association of India (TNAI)** proudly presents its **state-of-the-art Skills & Simulation Training Programmes**—designed to bridge the gap between *theory and real-life clinical practice*.

Established with inspiration from national leadership and global collaborations, TNAI continues to lead in **capacity building, competency development, and clinical excellence**.

Why You/your Institution Should Join?

- Enhance clinical competency and confidence of students
- Exposure to high-fidelity simulation technology
- Training aligned with best practices
- Earn recognized credit points and international certifications
- Strengthen placement readiness and quality outcomes

Flagship Training Programmes

1. Basic Obstetric Skills & Simulation Lab

Reproductive Maternal Neonatal Child Health +Adolescent Course

Duration: 6 Days

Credits: 11 (55 Hours)

- Covers 35 essential RMNCH+A skills
- Hands-on training with OSCE-based assessment
- Focus on safe motherhood and neonatal outcomes

2. **Advanced Obstetric Simulation Lab** : Newly Established High-Tech Facility with advanced simulators (Noelle, Real MOM, Neonate models).The courses are flexible depending on the requirement of the participants.

Current available course:

Competence with confidence, hands-on OBG Workshop

Duration: 1 Day

Credits: 2 (10 Hours)

- Covers 4 essential RMNCH+A
- Hands-on training with return demonstration & case scenario with simulation.
- Practice normal and high-risk deliveries
- Builds confidence in emergency obstetric management
- Competency is assessed through pre & post-test.

3. **International Training Centre (AHA Authorized)** International Certification (Valid for 2 years)

i) **Basic Life Support (BLS) Provider Heart code**

Duration: 1 Day

Credits :2 (10 hours)

- Covers major 8 hand on skills on BLS for all age groups
- Hands-on training while watching AHA videos
- Focuses on In Hospital & Out of hospital chain of survival during cardiac arrest for adult, child & infants. Also covers special considerations such as respiratory arrest, opioid overdose, pregnancy & choking.
- Competencies are assessed through certified online theory modules & offline practical exam at the Training Centre.

ii) Advanced Cardiac Life Support (ACLS)

Duration: 2 Days

Credits: 4 (20 Hours)

- Covers major 13 hands on skill.
- Hands-on training while watching AHA videos
- Focuses on cardiac emergencies such as arrhythmias & cardiac arrest for adult patients
- ACLS also includes management of airway, ECG interpretation with pharmacology, ACS, Stroke management & demonstrating effective team dynamics & soft skills during Megacode Practice.
- Competencies are assessed through certified online pre-test & offline theory & practical exam at the Training Centre.

iii. Instructor Courses (BLS & ACLS)

Duration:1 Day

Credits: 2 (10 Hours)

- Become a certified instructor
- Build institutional capacity for emergency training

4. **National Advanced Nursing Simulation Centre:** The courses are flexible depending on the requirement of the participants.

Special Capacity Building Initiatives Current available course:

i) Training of Trainers (TOT)

Duration: 3 Days

Credits: 6 (30 hours)

- Covers major 13 major skills along with simulation on multiple case scenarios
- Hands-on training with return demonstration as facilitator
- Focuses on training the faculties on course planning, teaching methodology, understanding simulation & practice session on overview of cardiac arrest, airway management, ECG Interpretation, RRT, shock management, infection prevention & soft skills
- Competencies are assessed through pre & post-test & OSCE.

ii) Core to Critical: Mastering ICU Fundamentals

Duration:1 Day

Credits: 2 (10 Hours)

- Covers major 5 hand on skills
- Hands-on training with return demonstration & case simulations

- Focuses on oxygenation & ventilation, suctioning, Cardiac monitoring & ECG Interpretation & MEWS
- Competencies are assessed through pre & post-test.

TNAI's New Initiative

iii Internship to Impact: *Nursing Interns Exit Readiness Program (NIERP)*

Duration: 15 Days Only TNAI Certificates, No credits awarded, as this is designed for students.

Programme Overview: NIERP

Designed for final-year GNM and B.Sc. Nursing students

Duration 15 days (five days in a week)

Program Highlights

Days 1–5: Obstetrics (RMNCH+A)

Maternal & newborn care, normal delivery, obstetric emergencies, and infection control.

Days 6–10: Core Clinical Skills

Health assessment, medication administration, IV procedures, peri-operative care, and BLS.

Days 11–15: Advanced & Critical Care

ICU management, emergency response, airway & trauma care, simulation (cardiac arrest, sepsis, NRP) and leadership skills.

Outcome:

Produces **job-ready, confident, and competent nurses**

A Unique Learning Experience

Simulation-based immersive training

- ii. Multi-disciplinary approach
- iii. Focus on patient safety and quality care

Outstation BLS Training Also available on request

Duration: 1 Day (depending on the number of the participants)

Credits: 2 (10 Hours)

- Conducted across India
- TNAI brings training directly to your campus

“Empowering Nurses Today for a Healthier Tomorrow”

TNAI e-Learning Portal **Advancing Lifelong Learning in Nursing**

The **Trained Nurses' Association of India (TNAI)** launched its **e-Learning Portal in 2020** as a strategic initiative to strengthen **Continuing Professional Development (CPD)** among nurses across the country. This digital platform reflects TNAI's enduring commitment to enhancing nursing standards and promoting **lifelong learning**.

Designed to be **accessible, flexible, and high-quality**, the portal enables nursing professionals to upgrade their knowledge and skills at their convenience. Through a wide range of structured programs, TNAI supports nurses in earning **over 500 credit hours**, contributing to professional growth, competency, and improved patient care outcomes.

➤ **Access the portal:** elearning.tnaionline.org

How to Enrol in e-Learning Programs

Getting started is simple and user-friendly:

1. Visit elearning.tnaionline.org
2. Enter your **TNAI/SNAI Membership Number** and **Date of Birth**
3. Select your preferred program and click to begin learning

Three major learning platforms, offering diverse and comprehensive educational opportunities:

1. Aastrika Sphere Learning Management System

Aastrika Sphere offers **credit-based, competency-driven courses** tailored to strengthen clinical excellence and public health capacity.

Courses Offered

1. Clinical Skill-Based Courses
2. Maternal and Child Health
3. Community & Public Health
4. Professional Development
5. Specialized & Emerging Areas

2. World Continuing Education Alliance (WCEA)

TNAI's collaboration with the **World Continuing Education Alliance (WCEA)** brings **internationally accredited Continuing Nursing Education (CNE)** courses to Indian nurses—**free and easily accessible**.

Representative Course Areas

1. Nutrition & Maternal-Child Health
2. Infectious Diseases & Infection Control
3. Non-Communicable Diseases (NCDs)
4. Community & Public Health
5. Advanced & Specialized Topics
6. Broad Domains Covered

3. Digital Health Foundation Course for Nurses (DHFC-N)

(Developed by Koita Foundation)

Launched on **24 May 2025**, this flagship program equips nurses with essential **digital health competencies** required in modern healthcare systems.

Course Highlights

- 12 comprehensive modules
- Focus on digital transformation in healthcare
- Practical relevance to everyday nursing practice

Modules Include

1. Basics of Computer Technology & Nursing Research
2. Healthcare Systems in India & Need for Digital Health
3. Health Informatics for Nurses
4. Information Systems in Healthcare
5. Imaging, Labs & Departmental Systems
6. Digital Documentation
7. Healthcare Data Management
8. Data Privacy & Security
9. Quality Assurance in Digital Health
10. ABDM & Government Initiatives
11. AI & Machine Learning in Healthcare
12. Career Opportunities in Digital Health

Empowering Nurses for the Future

The TNAI e-Learning Portal is more than just a digital platform—it is a **transformative initiative** that empowers nurses to stay current, competent, and confident in an evolving healthcare landscape.

By integrating **clinical excellence, global knowledge, and digital innovation**, TNAI continues to lead the way in building a **skilled, knowledgeable, and future-ready nursing workforce in India**.
